

Christmas Blessings from Our Home to Yours

December 2010

Dear Beloved in the Lord,

But, when the fullness of the time was come, God sent forth his Son, made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons. Gal. 4.4-5.

“When the fullness of time was come,...” reflects mightily upon our heavenly Father’s **faithfulness**. When has it ever stopped? Reflecting on this year of 2010 is naught else but to bow in worship with praise and thanksgiving for His faithfulness in every aspect of our lives...health, ministry, provision...the list goes on and on.

Three Home Board members visited Brazil in April during the Annual Field Conference. Together with the field leadership they developed the “20/20 Vision” program for evangelistic outreach in Brazil. This details five strategic areas of Brazil in which BGFm desires to have church plants by year 2020. This program necessitates thirty additional missionary units from the US as well as that many Brazilian coworkers to aid in this endeavor...much prayer needed!

In the Home Office, the Lord provided updates to our equipment and new accounting software updates to our accounting procedures and processes. Harold oversees the accounting department while Ruth manages the clerical aspects of the office. In the Lord’s faithfulness, He has also provided very competent assistance from other part-time staff to help in the work load.

We delighted, on August 20th, in celebrating our fiftieth year of togetherness...such a special moment in which to reflect upon the wondrous ways and doings of our sovereign God in all of His faithfulness.

Regarding family, we were so privileged to host, Heidi and Kristin, for seven weeks this summer. Their parents (our daughter, Heather and her husband, Jonathan) work in the middle-east so we do not get to see them often.

Also, our oldest grandson, Jeremy, arrived back in Fort Lewis, WA in June after serving one year in Afghanistan...wonderful to have him home safe in God’s goodness! Tim & Dawn live in Houston.

Carla and our three grandsons in Brazil, visiting her parents for was remarried and lives in Deer

Spokane WA are planning to spend Christmas three weeks (aren’t we envious!). Nathan Park, WA.

Our missionary teams in Brazil are involved in presenting Christmas pageants in their respective areas of ministry as a testimony to their communities at large of the life-changing message of the gospel. May your Christmas also be an occasion of worship with family and friends, testifying of the wonder and awe of our Lord Jesus Christ.

Our love in Jesus,

Harold & Ruth Green
