

Philip & Rachel Stucky – Campo Bom

The South Brazil Seminary begins its new year of classes with a Biblical Counseling Conference on March 6th-9th. Pray that the students would grow in their walk with God and in their preparation to serve Him as pastors, missionaries and church leaders.

George (& Eunice) Harmon – Araçatuba

Praise God for the visit of Mel and Janet Kejr and their involvement in the ministry in Araçatuba, for the good attendance at church these 2 months as we gave a series in the book of Revelation both morning and evening, and for gifts and volunteer help that made possible the installation of a pool for camp. Pray for the beginning of classes at the Bible Institute Feb. 18; I will be teaching Expository Preaching.

Bruce & Lee Ann Nichols – Salvador, Bahia

Praise the Lord for the open door He has given us to disciple 2 couples, Silas and Debora and Fabiano and Laine. They have been members of a church that did not preach the Word of Truth, the gospel. Pray for their spiritual growth for the glory of God and edification of Christ's Church. Praise the Lord for the open door to weekly teach the Word of Truth in the home of Pedro and Fabiano. Pray for their salvation.

Kelso & Karen Clark - Fortaleza, Ceará

I praise our Lord for the doors He has been opening in our ministry, a recent and meaningful one is the opportunity to proclaim the gospel to students of Jim Willson School. Last October/ November we had 3 lectures about the End of Times. More than one hundred high school students attended! Next month, the Lord willing, we will start another series - which will be directly focused on "Who is Jesus Christ?!" As you can imagine, I am excited about that. Pray for that, as well as for the other ministerial activities with which our God has been blessing us.

David & Erin Bomboy - São Leopoldo

Praise that we now have the documents we need to exist and function in Brazil. Also, that the Lord has provided an apartment in an ideal location for ministry in São Leopoldo; it is right next to the Unisinos university campus. Pray that our language training progresses well in Porto Alegre, and that our evangelistic outreach, through "The Hangout" coffee shop ministry and Logos church plant in São Leopoldo, is fruitful.

Joe & Jeanie Stucky – Mossoro

Our neighbor is repairing the bar next door that was shut down by the police several years ago. Our neighborhood was disturbed by the highly amplified live music groups promoting much drinking, fights, and confusion from 10:00 PM-5:00 AM on many weekends. Pray for God's intervention, that Satan's plan will be thwarted. Pray for the salvation of Higo and his parents, the owners of the bar.

Ron & Nancy Johnson – Antioch Bible Institute

We praise the Lord for opportunities to fellowship with and report to individuals and churches who have been involved with the ministry in Brazil for many years. We also thank the Lord and each of you who has been praying for Nancy's health; she was diagnosed as cancer free after various exams with several different doctors. One of our ministries has been writing, illustrating, and printing booklets down through the last years; we are thankful for the upcoming opportunity to attend a writing seminar next month.

Larry & Ruth Lipka – Retired

Praise the Lord for Brazilians who are preparing to serve the Lord. Pray for Leandro and Valeria; we met Leandro in Brazil last year at conference. They are planning to marry in October and then prepare to minister in Southern Brazil. Valeria is already working with a Brazilian missionary family reaching Portuguese-speaking students from Cape Verde, Africa who are studying at a University in Ceara, Brazil.

Ken & Lori Stucky – Mossoro

Our church supports 3 Bible School students as they prepare for life and service. Please pray that they will each have a fruitful semester and that God's plans for the future will become clear to each of them - Fellipe, Alicia, and Julia.

Jerry & Bev Lehrman – Antioch Bible Institute

We praise the Lord for 4 wonderful months in the USA, spending time with our family, and sharing with others our ministry in Brazil. As we return to the field of Northeast Brazil, ask the Lord to give us more opportunities for involvement in evangelism and discipleship and a vision of new areas of ministries in which to serve.

Lucy Jane Lieb – Fortaleza

This semester I have 3 girls living with me - Priscila's cousin Sofia started studying at a college close to my home. Pray for good relationships among us. Pray that we may all of us grow in the grace of the Lord and be a blessing to others.

Ron & Ranelle Stucky – Mossoro

This year, we hope to finish our database system transition that we started in 2016. Work is underway to input a large amount of data to catch things up. Pray for Ranelle, as this is her main job at school this year. Pray for Ron's continued work with the youth at church.

Jim & Lydia Johnson – Morada Nova

Please join us in prayer for Renato and Milena who have been studying the Scriptures with us for several months and have indicated a trust in the Savior. They are very slow, however, to step outside the bounds of a home Bible study and participate in the local church. Pray also for the salvation of Josiberto and Rosivaldo.

Ellie Driesenga – Sapiranga

Please be in prayer this month as we prepare for our first family camp of the Sapiranga Bible Ministry on March 29-31. Last month and presently, I am having training classes and planning classes for the children's ministry. Praise the Lord for the 3 women who have stepped forward to serve in this ministry; please pray as they learn, grow, and plan to cover the children's classes in my absence from April 7 - August 2. Also pray as I prepare the final details for my mini furlough.

Adam & Hosanna Lancaster – Maceió/US

We are in the process of finishing up details as we prepare to head back to Brazil on April 9th. Pray that we are able to get everything resolved and also meet with people we need to still meet with before we leave. Also be praying for our 8 month old daughter Grace's salvation.

Wendell & Florence Ann Hayden – Retired

There are many people at the Care Center where Wendell is staying. Although he is not always aware of his situation, we pray that his life there would reflect Christ in what he says and does each day. We thank the Lord for encouraging words from the nurses and helpers concerning him.

Al & Nadine Pierschbacher – Fortaleza/Pacoti

Please pray for us as we are preparing for a 90-day Home Assignment starting April 6, 2019. Pray for Al as he preaches for the Carnival Family Camp, and for the Lord to guide our young church plant to the right Brazilian co-pastor to help the ministry expand to more of the area. Praise the Lord for open doors to evangelize and teach and for Brazilian brethren who have begun to monthly support the New Hope Bible Training Center!

Alice Thompson – Retired

These past several months have been a time of reflecting on God's goodness and care for me; praise God that my health is holding up. Please continue to pray for the Lord's direction and will for my life for future living accommodations as well as different options to receive more assistance as I get older. Finally, please pray that I can be a blessing to others in all I do and say and glorify our Heavenly Father.

Roger & Crystal Johansen – Maceió

Pray for the sale of our home, for the salvation of Katia, Fabrissa and Paulo, and for safe travels during March.

Jane Lieb – Retired

I thank the Lord for the opportunity to teach the Bible study last month. I praise and thank Him for the provision He has made for me, for good friends, and various activities. Pray for opportunities to witness to the caregivers as they learn the verse of the month.

Dave & Connie Johnson – Piedmont Int'l University

Praise God for good & safe trips visiting churches and partners in ministry in various places. Pray regarding treatments for Connie's knee pains. Pray as the Portuguese translation project is finalized and for each of the students. We praise God that Brazilians are being further equipped for effective service in their local churches.
