Dear brothers and sisters in Christ,

BGMF global is a non-profit Mission that has been helping the local Church for over 70 years with the spread of the Gospel of Jesus in Brazil and beyond. We strive to send and assist our missionaries in the Brazilian, Portuguese, Mozambican, and American fields.

Today, the world is following, with great regret, the situation plaguing Brazil's southern region. We want to inform the beloved Body of Christ that the missionaries and their families who serve in Taquara, São Leopoldo, Estância Velha, Gravataí, Uruguaiana, Dois Irmãos, and Sapiranga are well, thanks to our good God. However, they report their efforts to support families in very difficult situations in their cities and surrounding areas.

BGMF global is taking the opportunity to request, in addition to your prayers, financial support to help the church in southern Brazil as they show God's love to families with food, hygiene items, cleaning materials, clothes, etc. In other words, the church is helping them start their lives again. We believe you will pray but also may desire to contribute to this cause. So, we invite you to donate via BGMF global, which will send 100% of the donations urgently, consciously, and specifically. Any donation, regardless of size, would be greatly appreciated and would help ensure that we can continue in the service of Christ and His Church.

We thank you in advance for your consideration and look forward to your response. Please don't hesitate to contact us if you have any questions or require further information.

Yours sincerely,

Eriomar Maia
